

Serving Latino Communities Success Checklist

<http://www.webjunction.org/do/DisplayContent?id=11200>

Serving Latino communities requires that the entire library be behind the effort and that cultural awareness be integrated into every aspect of the library's services and operations.

How successfully has your library integrated cultural awareness of the Latino community? Ask a variety of staff, board members, volunteers and customers to rate your library's level of success using the Success Checklist below.

Have them mark each item with one of three ratings: L for low, M for medium or H for high.

Appoint a committee to discuss the ratings and brainstorm strategies for improving those items that did not receive high ratings.

Use the results of the checklist to develop a library services plan.
