4-H SUSTAINABLE LIVING SCHOOLS CONFERENCE

A perfect opportunity for beginners and experts alike, this 3-day event is designed for teachers, 4-H volunteers, parents and community members who are looking for ways to create and use SUSTAINABLE LIVING projects in a school or club setting. Whether its planting a vegetable garden or wildlife garden, exploring renewable energy, living buildings (eco- roofs, cobb building), learning how to start a backyard 4-H chicken project, food preservation, cooking with local foods, or other “back to basics skills” there is something for everyone.

REGISTRATION FEES

All three days: \$150 (scholarship rate: \$98)
One Day only - \$69 (scholarship rate - \$35)

(registration includes workshops, handbook curriculum, printed materials, lunch, refreshments and t-shirt)

4-H Teacher/Leader Conference

NOVEMBER 5-7, 2009

4-H SUSTAINABLE LIVING SCHOOLS AND CLUBS

Three Day Conference (November 5-7)

8:30-5:00 p.m. each day

Location: USFWS Tualatin Wildlife Refuge (Thursday-Friday)
Mary Woodward Elementary/Tualatin (Saturday)**CERTIFIED 4-H SUSTAINABLE LIVING SCHOOL COACHES**

Participants who complete the 3-day training are certified as 4-H Sustainable Living Coaches. 4-H Sustainable Living Coaches receive support from OSU 4-H Faculty and have access to 4-H Sustainable Living curriculum and educational kits.

**CONFERENCE REGISTRATION INCLUDES**

- **24 hours** hands-on interactive training led by OSU faculty
- **4-H Volunteer Project Handbook**, videos, and curriculum lessons

Sessions cover

- **Guiding principles** for sustainable living projects,
- **Project management** (sustainable school teams, keys to success, communications, working with your school district),
- **Sustaining your Project** (grants, working with volunteers, building community support)
- **Three Specialized tracks:** wildlife habitat gardens, urban agriculture and green technology

4-H Sustainable Living Coaches are trained volunteers working in partnership with public and private organizations to assist students and teachers to create, use, and manage sustainable living projects within school communities.
