TO: Prospective 4-H Judges for all areas except Horse

FROM: Pati Craven, 4-H Youth Development

SUBJECT: 4-H Judges Reference List

Thanks you for your interest in being listed on the 4-H Judges List maintained for all projects except Horse. (Because of separate levels and criteria, the Horse Judges list is maintained separately). The 4-H Judges List is provided as a reference to all counties. In order to be useful, the list needs to be current and accurate. Please take a few minutes to list your personal and judging information on the information form. Please add the counties and areas that you have judged during the last year. Any recent trainings attended or background information that might be helpful to agents selecting judges should be included in the comments section.

A list of the judging categories is available to help you reference your individual data. The individual areas within the Fiber Arts project are also listed. Fashion Revue has been changed from Clothing, Knitting, or Crocheting Fashion Revue to just Fashion Revue, listed under contests.

Information returned before October 15 will be included in the Judges List for the next 4-H year. Information received after that date will be updated for the following year. Please email any changes to address, phone and email to pati.craven@oregonstate.edu and those items will be updated immediately.

Thank you for your help.
