Computer Hardware Project Description

Name:	County:
Class Number:	Class Name:
Grade:	(circle one) Junior Intermediate Senior
Age:	Years in this project area:

Answer the following questions in detail. Please include this information with your computer hardware application project. Answers can be hand written or typed on a separate sheet, audio (mp3) or video.

1. What problem/task did you choose to solve or what did you hope to accomplish?
2. What materials (software, books, online resources) did you use?
3. List the steps you used to solve the problem or accomplish your task.
4. What is the result of the project?
5. If you were to do it again, how/what would you do differently or how would you improve your project?
6. Who was involved in this project?
7. How did you come up with the idea for this project?
8. What was the most difficult aspect of this project?
