

# **Packing List for Summer Conference**

## **Clothing**

Use the Dress Code to plan what clothes you will bring. Also remember pajamas, undergarments, socks, and comfortable walking shoes. Flip flops are not appropriate for all classes, so be sure you bring a pair of close-toed shoes. You will also need athletic-type clothes for at least one physical activity class. A hat and a rain jacket are a good idea. Don't forget a bathing suit if you want to attend the pool party. Bring a nice outfit to wear to the Saturday Brunch. Don't bring more than you need!
