

OSU 4-H SUMMER CONFERENCE DRESS CODE

While at OSU 4-H Summer Conference, you represent not only yourself but also your county and the overall 4-H program. Therefore, it is important that you are always dressed appropriately. The following are some easy guidelines to help you in this endeavor.

For most of Summer Conference, nice casual wear is fine. Most of the buildings don't have air conditioning, so remember to layer with appropriate clothing and to check the weather forecast when packing.

Nice casual means NO:

- Short shorts (aim for at least mid-thigh)
- Ripped jeans
- Tube tops
- Tops that show cleavage
- Short Skirts
- Excessively baggy pants that expose undergarments (wear a belt!)
- Bare midriff

Shoes

Summer Conference involves lots of walking. Bring shoes that are comfortable and easy to walk in (flip flops are allowed but not in all classes). Closed toed shoes are required for active classes and community service.

Dress for Classes

The same dress code as above. Some classes (dog agility, team building, soccer, anything active) require sneakers/closed toed shoes.

Dress for Community Service

Plan to wear your conference T-shirt and pants/shorts that you don't mind getting dirty. You also must wear sneakers or other closed toed shoes.

Saturday Brunch

This is a chance for you to dress up a bit! Boys should wear slacks and nice shirts. Girls should wear nice pants and tops, skirts, or dresses. Nice jeans are allowed, but no sweats or shorts.

Don't forget a bathing suit if you want to attend the pool party!
